Joaquin Arretche

Industrial Designer

UX-UI Designer

Full Stack Developer

About Me

I' am a designer and future developer. I've been awarded several times at both, national and international level. These awards gave me the opportunity to join UNO Industrial Design, a design studio located in Sao Pablo. I started working remotely with them throughout 2021. To complement my knowledge, I am currently taking a course for Full Stack Developer which I will finish during the first semester of 2022.

Education

BS in Industrial Design
ORT / Montevideo, Uruguay
Graduated 2021

Google Coursera - UX UI Design
Graduated 2022
